SAVING LOCAL LIVES, SINCE 1947

Your donation with LifeServe will help save your neighbor, a friend, family member, or a stranger in your community! When individuals donate with another blood collection organization within our community, that local donation does not support their local hospital. **Only blood collected by LifeServe Blood Center is provided to your local hospitals.** Human blood cannot be manufactured, so we need more than 200,000 community members to donate each year to ensure local hospital patients have the blood products they need, when they need them.

CONTINUED GROWTH!

If you are like me, one of the main thoughts of 2022 is where did it go. The year went by very quickly. For some, that was a great thing and means they were back to being busy and getting a lot accomplished. For others, maybe it wasn't as quick and business was still a little behind. Regardless, we have a new year in front of us now, and this provides a new opportunity for the Chamber to help the Johnston business community. It is so important for us to continue to focus on positive ways we can help local businesses succeed. Last year, we felt very fortunate to be able to add 32 new members, but we also tried to make sure we put a lot of effort into helping our current members continue to grow and be successful.

As the 2023 president of the Johnston Chamber of Commerce, I will be a strong voice in creating a vibrant and winning atmosphere for our members — and potential members — to thrive. We will always have challenges to overcome, but these will force us to continue to think differently and keep changing how we all attract and keep customers.

Part of this approach includes an intentional effort from all of us to buy the products and services our local businesses offer. A great resource to find these businesses is the Johnston Chamber of Commerce Directory. It includes a listing of all current members and is a great place to start

your search.

We are proud of the mix of retail and service industries in our community, and we want to help them all succeed. With that in mind, I ask one simple favor. Before you make your next purchase on Amazon or elsewhere, try to buy locally first. The impact goes way beyond that sale, as taxes from those businesses help fund our schools, our roads, our police force, our fire department and much more.

As a resident or business owner/manager here, you know that Johnston is home to recreational facilities, parks and trails, a top-rated educational system, a well-run local government, and an overall excellent quality of life. Johnston is also a great place to do business.

We made the decision to start our business here in 2010 and join the Chamber, and we are glad we did. If you own a business in another community and have thought about expanding here, let us know. If you have considered starting a new business in Johnston, we can help. Or if you simply want to meet more people and get involved in the community, we would be proud to be your connector.

In short, don't hesitate to reach out to me or to our executive director if there is anything the Chamber can do for you.

Now, let's continue to keep growing bigger and better than ever before!

WHY JOIN the Johnston Chamber?

"Being a member of the Johnston Chamber allows me to be better connected to my community through the networking, social, and professional development events put on by the Chamber. Through the Chamber, I have been able to meet various business owners, other Johnston residents and volunteer at various community events. I encourage everyone to attend at least one event to experience it for themselves."

DAN FITZGERALD

Construction & Land Development Banker
Vice President, West Bank

"Charter Bank has been a member of the Johnston Chamber since we opened our first location in Johnston 25 years ago. We appreciate being a member because the Chamber invests in our local businesses, supports the development of the community we serve and connects us with other business owners. It is well worth the time and investment to be a member."

MARK RHEINSCHMIDT

Vice President – Commercial Lending
Charter Bank

"The Chamber has provided me the opportunity to confidently know who to go to or who to refer someone to within our community. I truly did not realize all the businesses in Johnston until I was active in the Chamber. I have loved the opportunity to bring people into our business to showcase who we are and what we have to offer. I have also loved learning about all that is available in Johnston. Johnston has a lot of small and large businesses, so being aware and knowing about them allows me to refer not only the people I work with to them, but also being able to refer friends, family and neighbors to these great places. I encourage all to be involved in the Johnston Chamber, so we can be great referral sources for each other."

JOHNSTON Green Days

June 15-18, 2023

The Johnston Green Days festival will celebrate its 27th anniversary with a weekend full of activities starting on Thursday, June 15. Highlights include a carnival, parade, live bands, car show, beer garden, crafts for kids and much more. Green Days is organized by the Johnston Chamber of Commerce.

2023 Johnston Green Days will be held at Terra Park. Terra Park is

our 200-acre park with an 8-acre fishing lake surrounded by a great lawn for concerts and events. Mark your calendars with this year's date and address for Green Days, 6300 Pioneer Parkway, Johnston, IA 50131.

Why is it called Green Days? When the event was started in 1996, it focused on Johnston's agricultural and horticultural tradition. The Chamber worked with Johnston's

many nursery and greenhouse operations, local garden clubs and other groups to start this tradition and help it grow to become one of Iowa's leading summer festivals.

Green Days is a community celebration for Johnston residents and a showcase of our city for the many other visitors we attract with this event. For more information, go to

www.johnstongreendays.org.
